JADE Plus Inc. is a results based entrepreneurial consulting engineering firm determined to be specialists and leaders in niche areas. We have the specific training & experience in these areas so there is no need for you to have in-house expertise, or we can compliment your personnel. JADE Plus manages professional best practices with practical, cost conscious designs & solutions.

### Why work with JADE?

- Our experience, quick reaction & flexible schedule help you maintain project timelines.
- We are current with the latest regulations, standards, codes and sit on CSA technical committees.
- We provide trustworthy answers, solutions & concise documentation.
- Our fabrication experience reduces rework and delays.
- Collaboration with your teams & partners to increase efficiency.
- Health & safety of workers is protected by our independent, third party “seal of approval”.
- We’re well-rounded, “working” engineers who aren’t afraid to get dirty & get the job done.

### What others have to say

“JADE Plus Inc. shows impeccable attention to detail, versatility and professionalism both on and off site and their ability to commit to the task at hand is second to none. It has been our pleasure to be associated with the team at JADE and we look forward to many years building a strong successful relationship.”

**Gil VanDenBrink**, *President – Eastwood Manufacturing Inc.*

“JADE has provided excellent work on a consistent basis. They know our industry well and always provide the best possible solutions for the specific issue at hand. They work well with the final customer to deliver a result that pleases everyone involved.” **Chuck Asmussen**, *General Manager – AIM Industrial Inc.*

“JADE is flexible to the needs of our projects. Our unforeseen obstacles are dealt with promptly and with accuracy so delays are kept to a minimum. JADE understands projects from a contractor’s point of view which has created a long lasting consulting relationship with us.”

**Scott Beattie**, *Site Supervisor – Greenferd Construction Inc.*

“Over the past year, JADE Plus Inc. has been the company we trust for certification of our company’s projects. JADE has always provided us with on-time completion, fast turnaround, and excellent service, all at a very competitive price. JADE Plus Inc. will continue to be the firm we count on for future projects.”

**Steffan Light**, *Project Manager/Designer – Phil Mauer & Associates.*
